

Civic Organizations for Volunteering

This list represents many non-profit volunteer opportunities to inform students in areas that reflect some of the community interests of Wm. S. (Bill) and Margaret Marvin. It is not intended to be an exclusive list, but rather a guide. Volunteering for other meaningful non-profits in the Warroad area community is also appropriate for the scholarship application. Diversity of volunteer service is encouraged.

Kids Week

Easter Egg Hunt

Ditch Cleaning

Fly-In Breakfast

Youth Coaching

5K Walk/Run

Wm. S. and Margaret I. Marvin Scholarship

In 2007, the William S. and Margaret I. Marvin scholarship program was founded through a \$15 million endowment fund for students of Independent School District #690 in Warroad, Minnesota. At the time, this generous gift was the largest single endowment ever to be received by a community in Minnesota. Both Wm. S. (Bill) and Margaret were incredibly active within the Warroad area community and believed that education was the 'great equalizer,' creating opportunity for every person that receives it.

Warroad High School Seniors eligible for graduation are encouraged to apply for this scholarship. Students must plan to attend an accredited two- or four-year degree granting program on a full-time basis and meet the minimum requirement of a 2.0 cumulative GPA on a 4.0 scale. Four-year awards reach the maximum equivalent of the average tuition and fees of public colleges and universities in the state and region. In 2017, the average four-year award given was \$9,800 annually. Two-year awards reach the equivalent of the average tuition and fees at regional community or technical colleges. In 2017, the approximate two-year award was \$5,430 annually. Both awards are renewable when a minimum cumulative GPA of 2.25 is met.

The scholarship is administered by Scholarship America in St. Peter, Minnesota and applications are available at the Warroad High School Counselors office or on www.marvinscholarships.com.
